TENETATIVE MEMBERS OF THE COMMITTEE:

The Committee “consists of at least four members form the faculty and senior research staff. One of these is the student’s thesis advisor, the others are chosen so that they represent a sufficiently broad spectrum of research specialties to ensure a ‘general’ rather than a ‘topical’ examination.” EAPS Grad. Studies Manuel

The above named student has discussed these two proposed research topics with me and I find them suitable for a general exam.
